The dictionary is divided into two parts. The first part is an alphabetical listing of the peoples of the Russian and Soviet empires. Each entry includes a brief overview of the people's history, culture, and language. The second part of the dictionary is an annotated bibliography of scholarship on the non-Russian nationalities of the USSR. This bibliography includes over 5,000 entries, making it one of the most comprehensive bibliographies on this topic.

The Ethnohistorical Dictionary of the Russian and Soviet Empires is a valuable resource for scholars, students, and anyone interested in the history and culture of this region. This dictionary is a must-have for any library collection.
