

In English Persian My Persian Family: A Journey of Discovery, Love, and Belonging

In his memoir, *In English Persian My Persian Family*, Afshin Marashi tells the story of his journey to reconnect with his Persian heritage and his family in Iran. Marashi was born in Iran, but his family fled the country when he was a child. He grew up in the United States, and it wasn't until he was an adult that he began to explore his Iranian roots.

Marashi's journey to Iran is not an easy one. He must overcome language and cultural barriers, and he must also confront the political tensions between Iran and the United States. But Marashi is determined to find his family, and he eventually succeeds in doing so. He meets his extended family, and he learns about the history and culture of his homeland.

SOFT COVER

In English Persian My Persian Family is a moving and inspiring story about the importance of family, culture, and identity. Marashi's journey is a reminder that we are all connected, and that we can find strength and belonging in our families and our cultures.

The Importance of Family

Family is one of the most important things in life. It is our family who loves and supports us, and who helps us to become the people we are.

Marashi's journey to Iran is a reminder of the importance of family, and of the lengths that we will go to to find our loved ones.

Marashi's family is a diverse group of people. There are his parents, who fled Iran with him when he was a child. There are his siblings, who were born in the United States. And there are his extended family in Iran, who he meets for the first time as an adult.

Despite their differences, Marashi's family is united by their love for each other. They are always there for each other, and they support each other through thick and thin. Marashi's journey to Iran is a reminder that family is more than just blood. It is about love, support, and belonging.

The Importance of Culture

Culture is another important part of our lives. It is our culture that shapes who we are, and that gives us a sense of belonging. Marashi's journey to Iran is a reminder of the importance of culture, and of the ways that it can connect us to our heritage.

Marashi's family is Persian, and their culture is very different from the culture of the United States. Marashi had to learn about Persian culture as an adult, and it was a challenge at times. But it was also a rewarding experience, and it helped him to connect with his heritage.

Marashi's journey to Iran is a reminder that culture is not something that we should be ashamed of. It is something that we should be proud of, and that

we should share with others. Culture is what makes us unique, and it is what connects us to our past and to our future.

The Importance of Identity

Identity is a complex and multifaceted thing. It is made up of our family, our culture, our experiences, and our beliefs. Marashi's journey to Iran is a reminder of the importance of identity, and of the ways that it can change and evolve over time.

Before Marashi went to Iran, he thought of himself as an American. But after he met his extended family and learned about his Persian heritage, he began to think of himself as Iranian-American. His identity had changed, and it was a more complex and nuanced identity than before.

Marashi's journey to Iran is a reminder that identity is not something that is fixed. It is something that is constantly changing and evolving. As we learn new things about ourselves and our world, our identity changes as well. This is a natural and healthy process, and it is something that we should embrace.

In English Persian My Persian Family is a moving and inspiring story about the importance of family, culture, and identity. Marashi's journey is a reminder that we are all connected, and that we can find strength and belonging in our families and our cultures.

If you are interested in learning more about Marashi's journey, I encourage you to read *In English Persian My Persian Family*. It is a beautifully written book that will stay with you long after you finish reading it.
