Naija Of Diabetes Stories Hope Loss Sugar is a book that chronicles the experiences of Nigerians living with diabetes. The book is a powerful and moving account of the challenges and triumphs that these individuals face. It is also a valuable resource for anyone who wants to learn more about diabetes and its impact on the lives of Nigerians.

The book is divided into three sections. The first section, "Stories of Hope," features stories from Nigerians who have been living with diabetes for many years. These stories are inspiring and uplifting, and they show that it is possible to live a full and happy life with diabetes.

The second section, "Stories of Loss," features stories from Nigerians who have lost loved ones to diabetes. These stories are heartbreaking, but they are also important. They remind us that diabetes is a serious disease that can have devastating consequences.

The third section, "Stories of Sugar," features information about diabetes and its treatment. This section is written in a clear and concise style, and it provides valuable information for anyone who wants to learn more about diabetes.

Naija Of Diabetes Stories Hope Loss Sugar is a powerful and moving book that tells the stories of Nigerians living with diabetes. The book is a valuable resource for anyone who wants to learn more about diabetes and its impact on the lives of Nigerians. It is also a source of hope and inspiration for anyone who is living with diabetes.

About the Author

Naija Of Diabetes Stories Hope Loss Sugar is written by Dr. Nneka Ifejika, a Nigerian-American physician who has been living with diabetes for over 20 years. Dr. Ifejika is a passionate advocate for people with diabetes, and she has dedicated her life to helping others manage their condition.

Dr. Ifejika is the founder of the Diabetes Foundation of Nigeria, a non-profit organization that provides education, support, and resources to people with

diabetes in Nigeria. She is also the author of several other books on diabetes, including The Complete Guide to Diabetes in Nigeria and Diabetes: A Guide for the Nigerian Family.

Naija Of Diabetes Stories Hope Loss Sugar is a powerful and moving book that tells the stories of Nigerians living with diabetes. The book is a valuable resource for anyone who wants to learn more about diabetes and its impact on the lives of Nigerians. It is also a source of hope and inspiration for anyone who is living with diabetes.

I highly recommend this book to anyone who is interested in learning more about diabetes. It is a valuable resource for anyone who is living with diabetes, or who knows someone who is.
