

Saving America the Beautiful: Political Incorrect

A Must-Read for Every American

In his powerful and insightful book, *Saving America the Beautiful: Political Incorrect*, author Michael Savage exposes the dangers of political correctness and its threat to American values. Savage argues that political correctness is a form of censorship that silences dissenting opinions and prevents open and honest debate.

SAVING AMERICA THE BEAUTIFUL: A political incorrect book! by Jorge Pelegrin

Savage provides numerous examples of how political correctness has been used to suppress free speech on college campuses, in the media, and in the workplace. He discusses the case of Laura Ingraham, a conservative commentator who was fired from MSNBC after she made comments that were deemed to be offensive to transgender people. He also discusses the case of Bret Weinstein, a biology professor who was forced to resign from

Evergreen State College after he objected to a "Day of Absence" event that asked white students to stay home from class.

Savage argues that political correctness is not only a threat to free speech, but also to our national security. He points out that political correctness makes us more vulnerable to terrorism and other threats by silencing dissenting voices and preventing us from having an open and honest debate about the challenges we face.

Saving America the Beautiful: Political Incorrect is a must-read for every American who is concerned about the future of our country. Savage's powerful and insightful analysis of the dangers of political correctness is a wake-up call that we need to hear.

About the Author

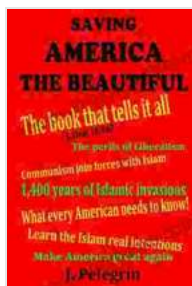

Michael Savage is a nationally syndicated radio talk show host, author, and political commentator. He is the host of *The Savage Nation*, a three-hour weekday radio show that is heard on over 400 stations across the country.
