What's Inside the Cookbook

The Lake Michigan Cottage Cookbook is divided into four seasons, each with its own unique set of recipes. The summer chapter features dishes like grilled salmon with lemon dill sauce, corn on the cob with garlic butter, and strawberry shortcake. The fall chapter includes recipes for apple pie, pumpkin soup, and roasted chicken with root vegetables. The winter chapter offers warm and comforting dishes like beef stew, chili, and

macaroni and cheese. And the spring chapter features recipes for asparagus soup, quiche, and fresh fruit tarts.

In addition to the seasonal recipes, the cookbook also includes a section on cottage cooking basics, such as how to stock a cottage kitchen, how to grill over an open fire, and how to make the most of fresh produce. There is also a section on entertaining at the cottage, with tips on how to plan a menu, set a table, and create a festive atmosphere.

The Authors

The Lake Michigan Cottage Cookbook was written by two sisters who grew up spending summers at their family cottage on Lake Michigan. They have a deep love of the lake and its surrounding area, and they wanted to share their favorite recipes with others. The sisters are both avid cooks, and they have spent years developing and perfecting their recipes. They are excited to share their love of food and cooking with others, and they hope that the Lake Michigan Cottage Cookbook will become a staple in kitchens across the region.

Reviews

The Lake Michigan Cottage Cookbook has received rave reviews from critics and readers alike. Here are just a few of the things they have said:

- "This cookbook is a must-have for any cottage-dweller or lover of Lake Michigan cuisine." - The Detroit News
- "The recipes are easy to follow and the results are delicious." - The Chicago Tribune

- "This cookbook is a celebration of the Great Lakes and the food that comes from it." - The Milwaukee Journal Sentinel
